

In the photo above Vern, Gleda and Betty are shown just before they boarded the United jet for the first part of their trip. Come Wednesday morning they will all be back and, I will bet, with some interesting stories to tell us all.

---

Leota Van Meter has started work in the Woodshop. She and her husband live in Canon City.

---

Thank you ! The Launch Pad has now been in operation for two months. Your help has created this paper and your continued assistance will keep it functioning.

Keep the news coming in and I will see that it gets out.

Area shown is near Hartsel.

Plans are now underway to have us in our new facility before winter. The picture above is the proposed plan as designed by our Gene Street. The model is on display in the front office.

## Welcome to New Members

Lela Miles has joined the swing shipping crew. She is the wife of Ronald Miles and has four children: Ronnie, 7 and in second grade; Joey, 6, in kindergarten; Rhonda, 5, and Elizabeth, 2. Husband Ronald is attending body and fender school in Colorado Springs.

Judy Cox, of Penrose is now working with the mailroom on swing shift. Judy is a May 23, 1966 graduate of Florence High.

Arlene Berg is the new operator of the print shop folding machine. Arlene is married to Philip Berg and they live in Penrose.

Arlene Belarde is another Penrose resident recently employed by E. I. Arlene is now a member of the day shipping crew. The Belardes have four children.

Judy Babbitt of Canon City is a recent high school graduate and is working in the day mailroom.

Betsy Acton is another new member of the day mail crew. She and husband Terry have an 11 month old boy, Terry Lee.

Mary Cline is also a recent Canon City High grad. She enjoys knitting, hiking and horse back riding. Mary is presently working in the MRN room.
