

Volunteers are needed to serve on a planning and work committee for the company picnic. Help is needed for recreation and entertainment, food planning, location of picnic, and the Good, Good ole Clean-up!

All you volunteers should see Gleda.

The plan is now underway to form a Personnel Department once we are in the new building. This department will be responsible, among other things, for the hospital insurance now underway, and will work on a proposed profit sharing plan for all employees.

Our deepest sympathy goes to Lona Mae Watts for the loss of her husband; and to Rose Murphy whose young daughter passed away recently.

THE

ESTES

LAUNCH PAD

PUBLISHED BI-WEEKLY

BY THE PUBLIC RELATIONS DEPARTMENT

Friday, July 1, 1966

Eunice Rambish is preparing to launch her rocket. When you are ready to launch your rocket, give me a call so a photo can be taken. Oh, yes, if you have an interesting hobby, let me know we can do a feature on it. Just dial ext. 5 and ask for Norm.

The thrill of the launch and Makies' Farside X. She has built almost all of the Estes model rockets, and they look good.

Welcome to New Members

Duane Taylor is 28 years old, lives in Pueblo, and has started working in the machine shop.

Kathy Smith of Wetmore has started working in the mailroom on the graveyard shift.

Gail Lindsey of Pueblo has joined the secretarial staff on swing shift. Gail enjoys geology, fishing, dogs, bowling and writing.

Let's remember these dates and times. 2:30 pm and 9:30 pm July 7th; and 2:30 pm and 9:30 pm on July 8th. "Why remember these dates?" you ask -- Well, let me tell you, that is when a fine gentleman is going to talk to us about Group Hospital Insurance. "Oh?, Where?" you ask. "At the club house" he says.

The interest in the company boost glide contest has been keen and the kitty is getting sweeter every day. As you remember it was announced in the last issue of Launch Pad. The entry fee will be 25¢; the first place pays 2/3 of the entire fees paid in and second place is 1/3. You may use your own design or build a kit bird.

The meet will be held Saturday, July 16 at 3:00 pm at the concrete launch pad.

Get well wishes from all of us go to Ella Garner. Ella underwent surgery at St. Joseph's Hospital, Tuesday, the 21st. She was dismissed Monday, the 27th. The shipping girls say "Hurry back, Ella, we miss you", and the rest of us echo this request.

Juanita Seal is in St. Joseph's Hospital, and a get well wish is extended to her.

Nina McMillan is in Colorado General Hospital in Denver, she sure would like to hear from us.

Gene Street's wife was in the hospital for a few days last week, but is up and around now. Gene sez she's feeling much better.
