

Old (Young?) Yeller, commonly known as Brownie or Tom, now frequents the shipping department, as well as the shops. When he gains entry, he gives the place full inspection before leaving, and seems to show up especially at meal time. Does shipping department have a mascot, or is that the only cat in Fremont County with his own full staff of servants, plus variety of menu---- and WHAT happened to Mary Lee's sandwich???!!!!

The Gliders have sailed into 3rd place on the Friday night bowling league. Congratulations to Phyllis, John, Gleda, and Vern.

If you have a husband who hunts, or children who enjoy exploring the countryside -- Don Chumbley would like to talk to you about the Search and Rescue Club of Canon City.

George Miller's wife, Thelma, has been elected County Clerk and Recorder for Fremont County. This is her first venture into politics.
Congratulations!

Chuck McPherson got his deer this year--
a 300 pound, 5-point buck--
--with his car!!!
Nobody injured, but Ooooooh! the car!

BY THE PUBLIC RELATIONS DEPARTMENT

November 18, 1966

The groundbreaking for our new building took place Tuesday, November 15th. Over 50 employees were present to watch Vern turn over the first shovel full of dirt. The first page picture shows (left to right) Jim Elliott, Earl Fraser Construction Co.; Gene Street, basic designer of the new building, Bill Simon, and Vern.

The good word has it that, if all goes well, the new Armco Steel building should be completed in about four to five months.

The ground has been leveled and the survey line run. The foundation should be poured within the next few days. Bob Cruzen, Editor of the Florence Citizen, and Jack Baker, KRLN Radio, were also at the groundbreaking. KRLN ran a taped interview with Vern on the 5:00 p.m. newscast. We wish to thank Bob and Jack for their interest in our building program.

All claims for Workmen's Compensation or Hartford Insurance must be taken to Sylvia, in the blue building, between 8:30 and 5:00 weekdays.

Please turn in all pledges and contributions for United Single Fund before the end of November. If you do not wish to contribute, your card should be returned marked "none". If you did not receive a card, see Sylvia.

Thanks for the large turnout of volunteers for the Christmas Party planning committees. The first meeting for the committees is scheduled for 7:30, Nov. 21st, and all individuals will be notified later as to meeting place.

Anyone needing to contact Gleda is reminded her new hours are 8:30 a.m. to 11:30 a.m. weekdays.
