AND MAY THE BIRD OF PARADISE....

Next issue will show Florence Willie and her Christmas Surprise. No doubt you have heard by now that "Floss" won the Elk's Mustang. She received the good word soon after getting home from the Estes Christmas party.

Congratulations, Flossie!!

...AND THERE ARE SEVERAL...

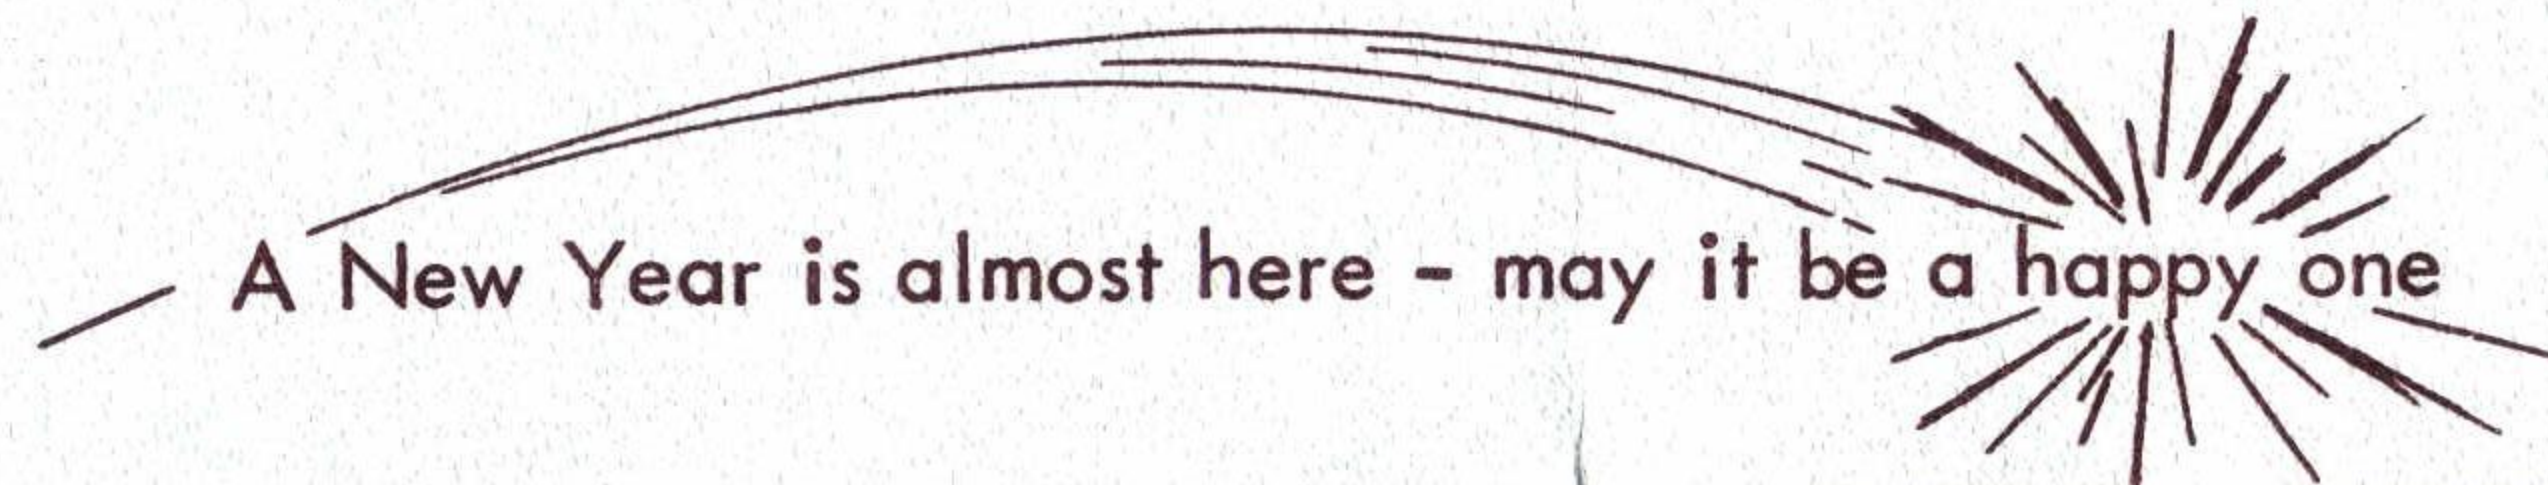

Several new faces have been seen around here since the last Launch Pad, however, with the Christmas confusion, the "star reporter" failed to get the write-up done. A hearty welcome to you all and we will give you extra special attention next issue.

THANK YOU!

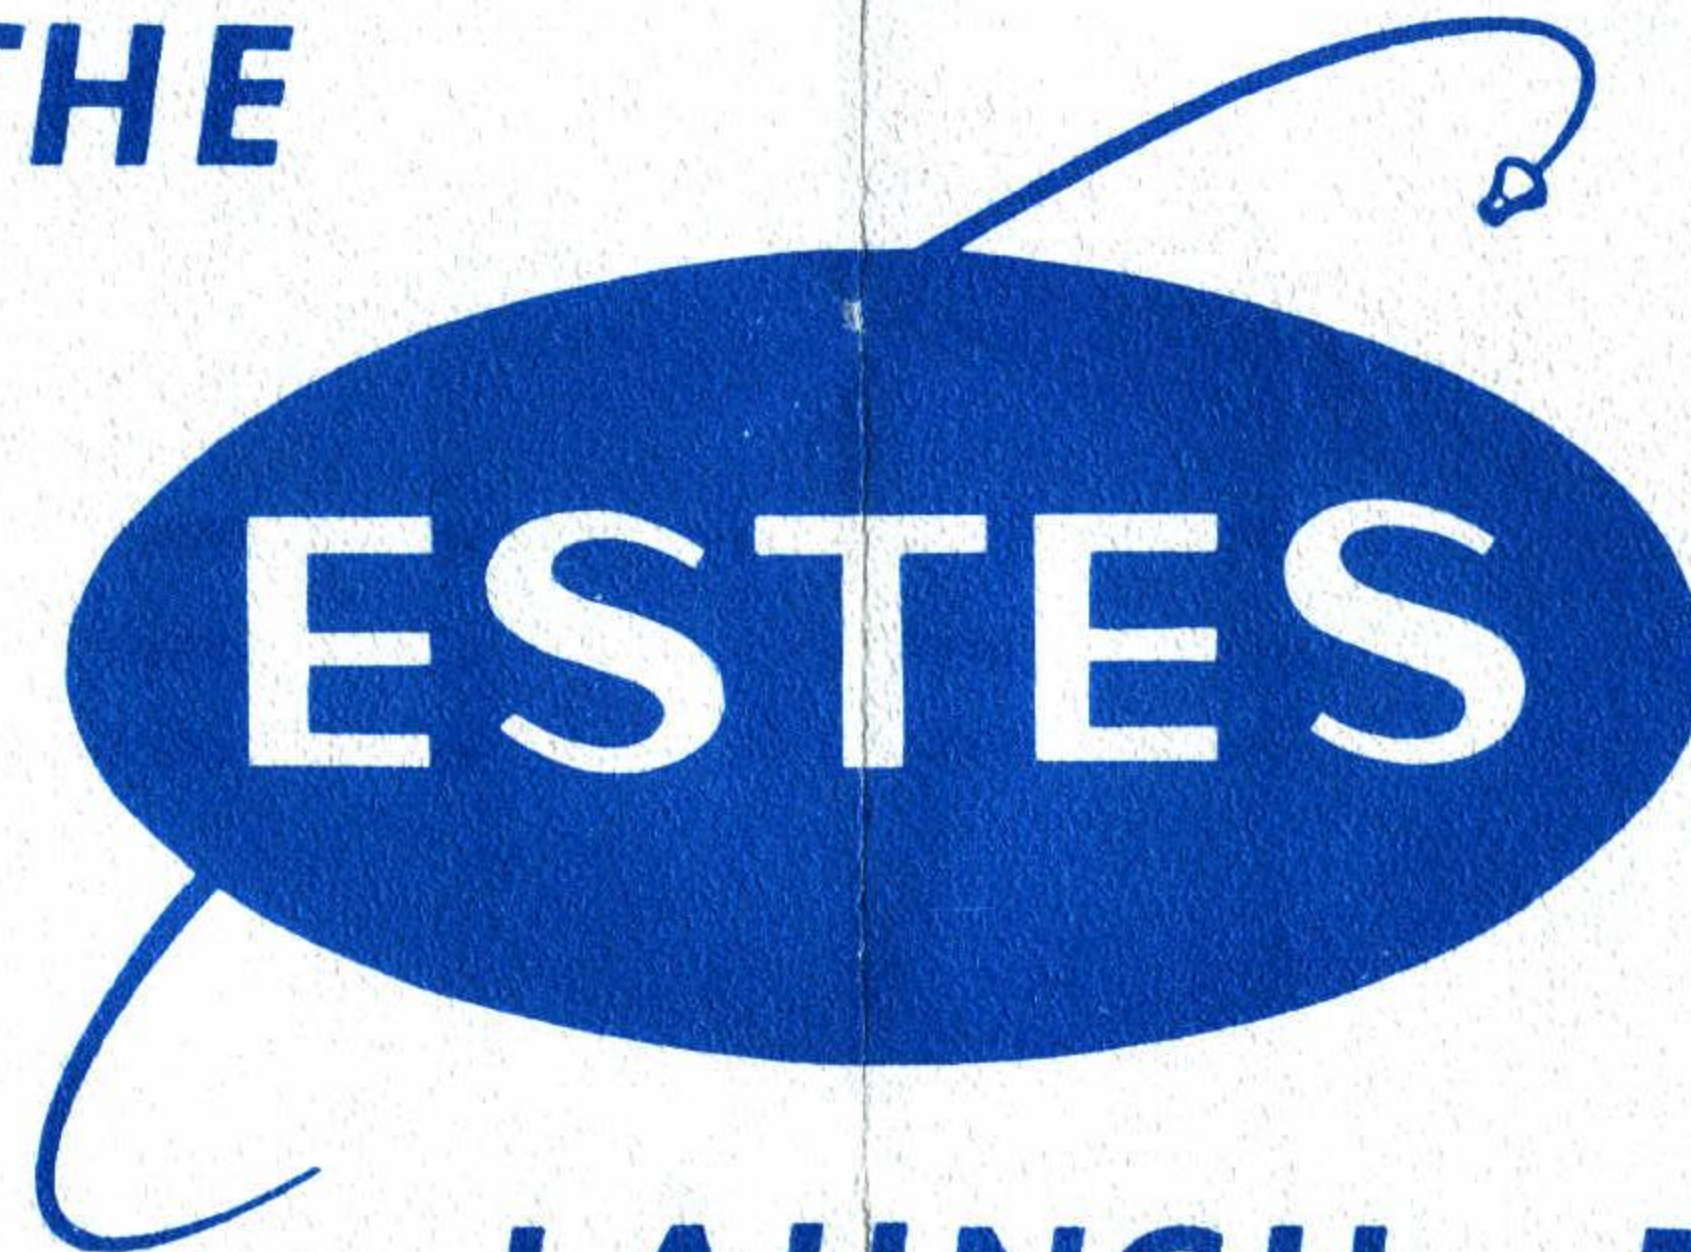

. . . . for making the Christmas party possible. People make a party and all of you made this the best one yet. Another thank you must go to the committees that worked so hard. . . . and last but not least, a third thank you for the lovely lamp.

A New Year is almost here - may it be a happy one

LAUNCH PAD

December 30, 1966

The Florence High school choir as seen at the Estes sponsored TV-II program, December 15.

The annual Christmas party was held Saturday, December 17, at the Club Paradise.

Fun ran the gambit from a Conga line to Bingo- and the gift exchange. Don't know how many there, I was having too good a time to count.

Vern and Gleda were presented a very attractive lamp for their home.
