THE

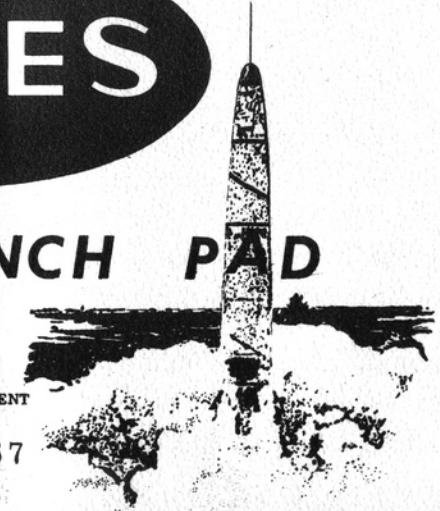

ESTES

LAUNCH PAD

PUBLISHED BI-WEEKLY

BY THE PUBLIC RELATIONS DEPARTMENT

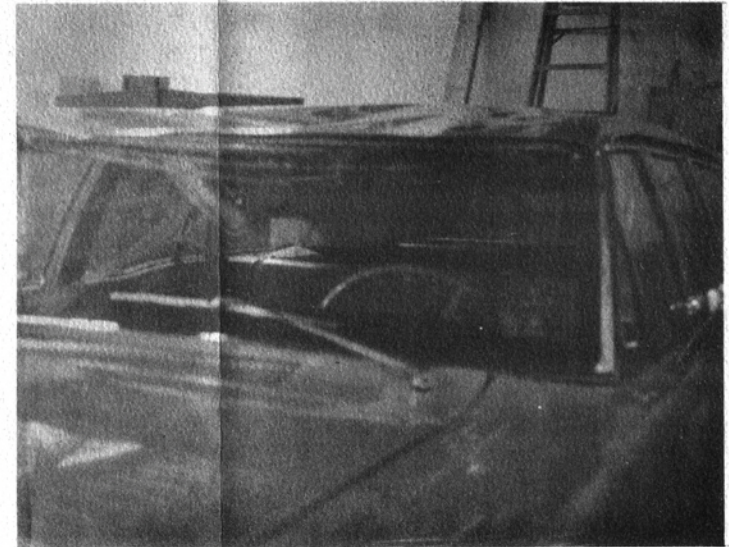

JULY 28, 1967

Congratulations to Annabelle Schwab of the purchasing department for winning a golf tournament in Colorado Springs and two tournaments in Canon City.

421 visitors have toured Estes Industries between June 1 and July 19 of this year. We appreciate the work of our fine tour guides.

Martha Babcock of shipping underwent surgery, Wednesday, July 12. She is doing fine at home, now.

see story inside . . .

If you don't have seat belts -- get them; if you do have seat belts -- use them. This would be the advice of Lyn Griffin. She, her husband, and three small sons escaped from their car after an extended skid and a complete overturn with only one black eye and some scratches. It was the expressed opinion of the investigating Courtesy Patrolman that the securely fastened seat belts saved the family from serious injury.

Needed: more volunteers for entertainment -- company picnic. See Don Chumbley.

N. A. S. A. WORKSHOP

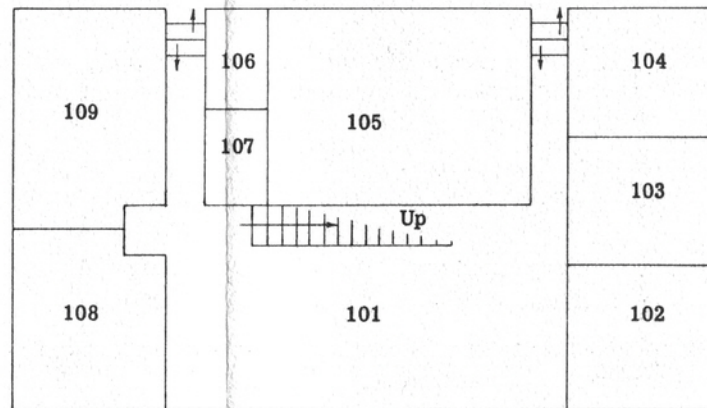

Estes Industries has been invited to participate in the Beverly Hills aerospace workshop. If not squeezed out by a big news story, the workshop model rocket launching will be carried on N B C's Huntley-Brinkley Report. It will be seen in our area on KOAA-TV channel 5, Pueblo, at 6:00 p. m., August 3.
