BACHELOR — *That's the guy who drinks his coffee carefully — so he won't have to wash the saucer!*

Bowling was brought to America by the early Dutch settlers of New York. It was first played here outdoors on the green, and a spot at the foot of Manhattan is still known as Bowling Green. During the early part of the 19th century the game was moved indoors to alleys. At one time, in the 1840's, there was a bowling alley on nearly every block on Broadway in New York from Fulton Street to 14th Street.

PROMOTIONS

Rocketeer Mail announced three promotions in the department last week. *Dolly Baker*, a resident of Canon City and employed here at Estes since November 1967, has been advanced to the position of supervisor of the swing crew. Taking over Dolly's position as assistant supervisor is *Ruth Mead*. Ruth will celebrate her first anniversary with the company in July. Promoted on the day shift is *Paddy Dawkins*, Canon City. Paddy has been here for a period of ten months.

Congratulations, Dolly, Ruth and Paddy!

I haven't lost a single pound
But you'll no longer hear me sighing
Because I finally have found
The inner strength to give up trying!

John Boley became the father of a 9 pound 2 ounce boy, *Brian Patrick*, on April 22. Mother and son are doing fine. John also seems to be recovering.

IF YOU THINK YOU ARE BEATEN

If you think you are beaten, you are;
If you think you dare not, you don't
If you'd like to win, but you think
You can't

It's almost a cinch you won't

If you think you'll lose, you've lost.
For out in the world you'll find
Success begins with a fellow's will
It's all in the state of mind.

Full many a race is lost
'Ere even a race is run,
And many a coward fails
'Ere even his work is begun.

Think big and your deeds will grow;
Think small and you fall behind.
Think that you can and you will,
It's all in the state of mind.

If you think you're outclassed, you
are;

You've got to think high to rise.
You've got to be sure of yourself
Before you can win a prize.

Life's battle doesn't always go
To the stronger or faster man;
But, sooner or later, the man who
wins
Is the man who thinks he can.

If a man reaches into a hat and
pulls out a rabbit, it's magic. If
a women reaches into her purse for
a key and pulls out a key, it's a
miracle.

The big party didn't affect us at all,
though. Woke right up the next
morning at the crack of ice.

If you are not enthusiastic and happy
with your work, then you already
have one strike against you.
